Camel Special Lights

Statement and Q&As

December 1992

General Statement

In April 1993, Camel Special Lights will be nationally introduced to offer smokers a mild, smooth, light taste choice from Camel. Available in king size soft pack and 100's box. Camel Special Lights will be the first Camel style with white tipping. Camel Special Lights has been developed to appeal to smokers of competitive brands looking for a lighter, milder tasting cigarette. Camel Special Lights will be available nationally in king size box and 100's box styles. A king size soft pack will also be introduced in selected areas (with the soft pack sales are strong).
